

iN-WPC – iNavigator / PBF2 Pole Cap

The iN Pole Cap is intended to mount both the Polara iNavigator PBS and Push Button Frame 2 (PBF2) series Back-Plate to an existing 2.5" un-capped pole. The iN Pole Cap provides:

- Protection of pole from filling with water
- Decorative, sculpted appearance that matches design aesthetics of compatible products
- Slotted mounting holes to allow for more lenient mounting positioning

All hardware and instructions necessary to mount the iN Pole Cap to the iN PBS / PBF2 are supplied with the iN-WPC-X.

Pole Cap Material: Aluminum, Powder Coated
