

## iN-WPMCC – iNavigator Wood Pole Mount Conduit Cover

Mounting an iNavigator Push Button Station (iN PBS) onto a wood pole or solid surface requires using an iN-WPMCC using flexible conduit. This product permits the field installer to easily connect the wiring to the iN PBS. The iN-WPMCC works with both the 2-Wire and 3-Wire versions of the iN PBS. All hardware and instructions necessary to connect to standard flexible conduit is supplied with the iN-WPMCC.

Cover Material: Aluminum, Powder Coated  
Bracket Material: Aluminum, Anodized Black  
Conduit Fitting: Standard 1/2" Straight Liquid Tight
